**SIMCOE MUSKOKA CATHOLIC
DISTRICT SCHOOL BOARD**

SCHOOL VALUATION FRAMEWORK (SVF)

School Valuation is the focus of the Pupil Accommodation Review Process

- **To support the school valuation process, school boards are required to develop a generic School Valuation Framework that assesses each of the following four considerations about the schools being reviewed:**
 - **Value to the student**
 - **Value to the community**
 - **Value to the school board**
 - **Value to the local economy**
- **The PAC will assess the Value of the Schools by applying the School Valuation Framework (SVF) to each school in the review area, always emphasizing the value to the student.**
