A Prayer for the People of Haiti & Chile

The Lord is good and listens to our prayers.

We are called to be neighbours to people who need our prayers and our help.

Let us pray for the people of Haiti & Chile and for their families and friends, many of whom live in Canada.

May almighty God bless all those who have suffered and who have died because of the recent earthquakes in Haiti & Chile.

May those who are helping with the rescue efforts be filled with courage and compassion.

May the families and friends of those who have died be comforted.

May all countries and people strive to be generous in their donations to help rebuild the schools, hospitals and communities that have been destroyed.

May the people of Haiti & Chile find hope in the knowledge of your resurrection because life triumphs over destruction and death.

We ask all of this in the name of Jesus, the Lord. Amen
